ENGAGEMENT MODELS

Reliable and transparent business engagement models to help you focus and gain competitive edge in your business.

FIXED TIME & PRICE

Under fixed time / fixed price model, YTS works with clients to define expected deliverables and timelines to determine a mutually agreed fixed price.

TIME & MATERIAL

The flexible and dynamic time & material model from YTS best suits complex projects that are inclined to specification and design changes.

MILESTONE BILLING

This option from YTS can be applied to long-lasting projects with measurable phases. The model reduces project risk due to visible progress monitoring.

DEDICATED RESOURCES

Through dedicated resource engagement model, YTS implements customer specific quality / process frameworks at client's end with the help of a dedicated team.
